PACK MEETINGS

Hello Pack 300 and welcome to the first newsletter of the year! A new scouting year is upon us and we have tons of adventures and fun in store for our scouts.

First off is our new meeting format. We are switching over to **one** pack meeting a month, coordinating with a pack event and then we will have Den meetings the other times we meet. This change is to make it a bit easier on planning and to give the scouts maximum time for Den meetings with their leaders.

Second is the addition of girls in scouting! As many of you know, BSA has made a few changes to the program over the years and has decided to allow girls to join Cub Scouting. Our chartered organization has decided to allow girls in scouting within our pack. This change will allow for more youth to get the great experiences from scouting that they deserve.

Finally, popcorn season is upon us again and we can start selling a few weeks earlier this year! The more you sell, the more prizes your scout can earn along with earning free summer camp! Popcorn sales start August 25th!

Summer camp season is behind us! We had several scouts attend summer camp this year and few attend multiple camps.

Summer Camp attendance numbers:

Hou Koda:	7 Scouts
Adventure Camp:	7 Scouts
Belzer:	18 Scouts

A lot of advancement happens at camp and it's a fun time as well! Scouts can sometimes earn up to 20% of a rank at camp.
