

CUB SCOUT PACK

300

October 2018

Avon IN

Pack 300 Hiking Club!

Pack 300 has a hiking club! We plan monthly hikes for the scouts to get outside and enjoy nature. During these hikes we follow the **Outdoor Code**. The scouts will learn various things on these hikes as well, including orienteering, forest preservation and of course the proper procedures for hiking while in scouts.

Our hiking program is a four-season program. We will have the hike as planned unless the weather is severe enough to warrant cancelling. Rain, Snow, Sun, or Wind, the hikes go on as planned.

Wondering what to bring on hikes? Hikes require the parents to come along, what better way to get some exercise and spend some quality with your scout on the trails. For our hikes, we require proper shoes (no open-toed shoes allowed), and a water bottle (preferably refillable). Of course, dressing for the weather as well.

During these hikes the scouts earn miles, these miles are tracked. They earn patches for every 10 miles they hike and at 50 miles, they earn a hiking stick that they can customize however they want! If you're interested in learning more about our hikes please read the **Hiking guide**.

Come on out and join the hiking club and get outside for some fun!

FALL POPCORN SALE

We are well into our Popcorn selling season! Popcorn sales are how we fund the pack and the events we do for the year. Selling popcorn also gives your scout a chance to earn free camp and pay his dues. To cover the cost of dues, a scout must sell \$400 and to earn free camp \$850
See Marissa for more information.

Popcorn Sales numbers:

Total Sold: \$45,000+

Thanks to all the volunteers for helping with our sales!
