## Community Service

This month we will be focusing on Community Service and what we can do as Cub Scouts for our local community. Cub Scouts perform community service in many ways, whether that be helping a local food pantry, participating in a parade, or helping setup for a festival or gathering. This month we are performing our annual Troop Care Package program. We will be stuffing boxes with supplies and mailing them out to the Troops that are currently stationed overseas. This project not only supports our Community, but it also supports the Helpful Scout Law point in that it helps the Troops that are stationed away from home by giving them a little bit of what they are missing. As a Cub Scout, we do not need to perform community service as a group, we encourage everyone to perform some sort of community service whenever they get a chance. If you have ideas or suggestions for some other types of community service projects the pack can do, please feel free to let a leader know.

Well we did it! We have another year of popcorn sales in the books and this year was our most ever sold! We surpassed our goal of \$65,000 so we will be going to Paoli Peaks for some Snowtubing! Over 38 scouts sold, several scouts earned free camp, and we have funded our program for another year!
