Scouting for food kicks off this month!

Scouting for Food is a national Boy Scout community stewardship project aimed at addressing the problem of hunger in communities we live in. Crossroads of America Council participates in this annual spring food collection program with all proceeds staying in central Indiana.

Scouting for food is a great service project that our pack participates in. It gives the scouts a chance to learn about helping underprivileged families and help them develop a sense of compassion for those who might not be as well off as they are. We are able to participate in this project all year long.

Day Camps!

Day camps are fast approaching. If you haven't given any thought about your scout attending, now is the time to make the choice. Health forms will be needed, and registration will begin soon!

Day camp is the best way for your scout to earn rank advancement and of course it's a ton of fun too. There are two camps to choose, Belzer and Hou Koda. Both offer a great program and your scout will love them.
