

CUB SCOUT PACK

300

April 2019

Avon IN

Service Projects!

With spring now here and the outdoor weather is starting to warm up, we can concentrate on Service Projects! Service projects are a way for scouts to give back to the community, whether that be through volunteering at an event, helping our chartered organizations meeting place, or just performing good turns for everyday citizens.

Our pack is dedicated to performing service for our community and the surrounding communities where we camp, hike, and have fun. At every pack hike or campout, we collect trash, clear hiking trails of debris, and try to leave the area in a better state than we found it. Being a scout is about being good stewards to the land.

Remember, scouting is about giving back as much as it is about having fun! I'm reminded of the following quote when I think of Service projects.

"We do not inherit the Earth from our Ancestors, we borrow it from our Children"

Day Camps!

Day camps are fast approaching. If you haven't given any thought about your scout attending, now is the time to make the choice. Health forms will be needed, and registration has begun!

Day camp is the best way for your scout to earn rank advancement and of course it's a ton of fun too. There are two camps to choose, Belzer and Hou Koda. Both offer a great program and your scout will love them.

Day Camp dates

- [District Day Camp](#) – June 10th
