2019

Popcorn season is underway! Popcorn is the only fundraiser the Pack does and ensures that your scout gets a quality program with plenty to do throughout the year. Free summer camp is earned by selling popcorn as well. Selling is easy, you can go door to door, or sign up with the app for one of the various show and sell spots. See Rochelle for more information.

Popcorn News!

Popcorn pick-up/Drop-off is now at Rochelle Fetterley's house! She will be handling Popcorn for the last three weeks of our sales. She will be taking over next year as the new popcorn kernel! Let's all take a minute to thank Marissa for all her hard work these past 3 years!

Time left!

There are still two weeks left to sell popcorn! There are plenty of Show and Sale spots open to help your scout get the next prize goal. If you have unfilled orders or excess popcorn at your house, please please please, get with Rochelle for a time to turn in inventory and money or fulfill any outstanding orders you have!

A Scout is Thrifty

A Scout thrifty. A Scout works to pay his way and to help others. He saves for the future. He protects and conserves natural resources. He carefully uses time and property.

Another part of thrift is protecting and conserving the earth's natural resources - it's soil, water, forests, wilderness areas, and wildlife. Recycle papers, glass, and metal used in your home and community. Do all you can to minimize waste.

News you can use!

Fall break is Oct 14th - 25th this year. We do not have schedule Den/Pack meetings during Fall break, no scouts until we pick back up on Oct 29th for the Halloween event! We will be camping at Turkey Run State park during Fall break.
